AROUND THE LAKE

The Clewiston schools opened for the 1934-35 term on Monday morning of this week, with George V. Stanley of Gainesville as principal.

The enrollment in the Okeechobee schools has increased from 578 of the first day to 615 at the close of the second week. Every day has brought a few added pupils.

Charged with violating the state game laws in that he shot two quail out of season, Frank Thompson of Port Pierce was arrested by Deputy Sheriff Edgar Brown in Okeechobee county Sunday morning.

Forty-five hampers of beans were picked a week ago Saturday on a small plot in Moore Haven and sold in Tampa for \$1.75 per hamper. The beans were of the Bountiful variety.

The Western Union telegraph office in Moore Haven will be moved to new quarters within a few days. Wiring preparations are being completed in the Baker building where the company will have its new home.

The following program was presented: Welcome address, A. Q. Howell, president of the local P-T-A. A. Cox, principal of Canal Point school; vocal solo, "By a Water Fall," George Tucker, Jr.; "Flow Joe," and "Down on the Southern Beach," Everglades quartet; and piano solo, Mrs. O. B. Parker.

After the presentation of the program Mr. Bishop, principal of Pahokee school, was introduced and in turn presented the following members of the Pahokee faculty: Mrs. James Boyd, Mrs. H. S. Lovett, Miss Myrtle Armstrong, Miss Laurie Gates, Miss Elizabeth Carraway, Mrs. Calloway, Mrs. Margaret York, Frank Holston, Mrs. J. R. York, Mrs. Frank Coleman, Miss Elizabeth Hoover, Miss Hollie Henderson, Miss Margaret Waddell, Mrs. R. S. Douthitt, and Mrs. Ruth Bishop.

C. Speer, Mrs. E. E. Page, Miss Agnes Allen, Miss Ruth Ruhl, Mrs. Roseberry, Mrs. Irene Overcast, Mrs. Essie McCallan, and Mrs. C. C. Goolbsy.

All those present were invited to the lunch room where refreshments were served. The lunch room was most attractively decorated; the predominant color being pink and blue. Lovely pot plants were used on the various tables. Delicious refreshments of ice cream and cake were served by members of the eighth grade to approximately one hundred guests.

Mrs. H. L. Speer, principal and chairman of the reception committee, was assisted in completing arrangements for the reception by Mediamen W. A. Adams, G. H. Tucker, A. Q. Howell, J. B. Cox, C. B. Jones and Rev. Bennett. The committee appreciates and thanks those other members who gave cakes and otherwise helped to make the program a success.

KAHN DEPT. STORE ANNOUNCES GREAT FALL OPENING SALE

In this issue of The News will be found a large announcement of the Big Fall Opening Sale which starts at the Kahn Department Store in Pahokee Saturday morning of this week. Many and interesting values are listed in the announcement.

"We have been receiving large shipments of new fall merchandise daily," Mr. Kahn said yesterday, "and we are offering only the very best and finest merchandise from America's greatest manufacturers in this great Fall Opening Sale."

Mr. Kahn further stated that he had listed in his advertisement several summer close outs at genuine bargain prices. His reason for disposing of the summer merchandise at such low prices, he said, was because of the fact that each incoming mail and express brings new fall goods and space must be made ready for the shipments.

The Kahn store in Pahokee is one of the leading dry goods stores of this section and handles America's leading brands of merchandise. Such famous brands as Florsheim shoes, John R. Stetson and Chesterfield hats, Tom Sawyer clothes for children, Haspgrade, Job Mechanic and Panama work clothes, are to be found at Kahn's and all are being offered at genuine bargain prices during the Fall Opening Sale.

EXCESSIVE WATER IS QUICKLY CONTROLLED

As a result of the recent excessive rainfall, the high water ran into the Choctaw pumping unit, over the levee, along the east side of the unit. This levee had been lowered in many places by aqueducts who farmed on the levee. A very serious situation might have occurred in this unit, except for the timely aid of A. R. Richardson, Superintendent of the State Farm No. 2, who immediately put every available prisoner he had on the job of repairing the dike, thereby protecting the land in this unit.
